*****New this year*****

TTSC Novice Swimmers will be assessed a Seasonal Meet Fee of \$30 at the beginning of each season. The Short Course Meet fee is included in the TTSC yearly registration fee paid in September. An additional Long Course meet entry fee of \$30 will appear on your monthly dues statement for April. The “Seasonal Meet Fee” will cover the entry fees for all of the meets in the season that your child is expected to go to. This one-time-each-season fee will take the place of the “pay as you go” individual meet entry fee the club currently uses with our Novices Swimmers. (This fee is non-refundable.)

The Meets listed above are meets the Novice Groups (Snapper and Terrapins) are expected to attend during the 2007-2008 Short Course Season. During practice, as we go through the season, your child’s coach will help your child select events for these meets that are appropriate for your child’s ability level and development. After completing the meet entry with their coach your child will be sent home with the meet information and events they are signed up for. (TTSC Meet entries are also posted on the team website:www.ttsc.org if you want to verify the information that was submitted for your child.) If your family is unable to attend an entire meet or a particular day of a meet please let your child’s coach know or contact Head Age-Group Coach Jeanine Serrano by Email at jserrano@ttsd.k12.or.us or by phone at 503-431-5455.

The goal of this new meet entry process for our Novice swimmers is to simplify and expedite the meet entry paperwork, encourage novices to attend more meets, and reduce some of the apprehension new swimmers have about going to meets or signing up for new events by facilitating conversation about meets with their practice coach.

Meets listed as those with “additional fees” are not included in your initial registration fees and must be paid at time of meet entry.
